## Introduction

Oxbridge Guardians Safer Recruitment Policy is linked to our Safeguarding and Child Protection Policy.

Oxbridge Guardians is committed to safeguarding and promoting the welfare of children and young people and expects all staff, volunteers, homestays and any individual working with the organisation to share this commitment. ## Interview

Applicants for office roles may be invited to a brief, informal, initial interview to enable a more accurate shortlisting process. Short-listed applicants will be invited to attend a formal interview at which his/her relevant skills and experience will be discussed in more detail.

All candidates will be asked to bring the following with them to interview:

- Documentary evidence of their ID that will satisfy DBS and Safer Recruitment requirements
- Documentary evidence of their right to work in the UK
- Documents confirming any educational and professional qualifications that are necessary for the post.

It is at this point that a personal safeguarding interview will take place, to better understand the candidate's attitudes, motivations and suitability to work with children. Written records of all interviews will be kept on the successful applicant's personnel file. If, for whatever reason, references are not obtained prior to the interview, the candidate should also be asked at interview if there is anything he/she wishes to declare or discuss in light of the questions that have been (or will be) put to their referees. It is vital that references are obtained and scrutinised before a person's appointment is confirmed and before he/she starts work.

If it is decided to make an offer of employment following the formal interview, any such offer will be conditional upon the satisfactory completion of the checks listed under the following section, 'Appointment Procedures for Staff'.

Depending on the position, interviews will normally consist of skills-related questions and a personal interview. The interview panel should consist of more than one person.

At least one member of the interview panel must have undertaken safer recruitment training.

Candidates should be asked if there is anything they wish to declare in light of the requirement for a DBS check. If references are not obtained before interview, the candidate should also be asked if there is anything he/she wishes to declare or discuss in light of the questions that have been (or will be) put to his/her referees.

Oxbridge Guardians will keep detailed notes of interviews as part of the Single Central Register (either Staff or Homestay as applicable).

## Appointment Procedure for Staff and Homestay's

### References

Oxbridge Guardians will request at least two references for each candidate, which must be a combination of the candidate's current or most recent employer and their most recent instance of working with children. At least one reference must be a professional reference, and preferably both. Ideally, these should cover roughly five years in a person's career history.

Referees will be asked to state the following in the School's Reference Form:

- Any disciplinary or child protection issues
- Any reasons why the candidate should not be employed for work with children
- The candidate's reasons for leaving (if appropriate)

Referees will also be asked to write a general reference as part of the reference form, in order to provide a better picture of the candidate

If a reference is taken over the telephone, detailed notes will be taken, dated and signed.

### ID Check

This is carried out in line with DBS requirements. Candidates will be asked to provide the following:

- Passport
- Driving Licence (photocard)
- Utility bill or bank statement which is less than three months old
- Any evidence of a change of name

If the candidate cannot provide any of the above, guidance issued from the DBS will be followed. Copies will be taken and kept on the candidate's file.

### Right to Work in the UK

This will usually be the candidate's UK passport. However, Oxbridge Guardians) will follow Government-issued guidance in cases where a candidate is unable to provide a UK passport. This will usually entail obtaining a copy of the applicants' birth certificate. A copy of the evidence will be taken and kept on the candidate's file.

### DBS Check

It is anticipated that all regular positions (whether voluntary or paid) will fall within the definition of 'Regulated Activity' as noted above, and will therefore require an Enhanced DBS check.

A check against the barred list will be undertaken on all staff, either within the enhanced DBS disclosure or separately. Until the company has had sight of the original Disclosure Certificate, the candidate will be treated as unchecked and may not under any circumstances have unsupervised access to children or young people.

The Disclosure may be obtained either by asking the individual to apply for a new DBS Certificate, or by them producing a DBS Certificate which has been registered on the DBS Update Service (only

applicable to DBS Certificates which have been issued since 17 June 2013). Candidates who have registered with the DBS Update Service must produce the original of their DBS Certificate, along with the required proofs of ID. In accordance with DBS guidance, the company will ask the candidate to sign a statement to say that they give Oxbridge Guardians) permission to access their record on the DBS Update Service. A printout of the result will be produced and held on the candidate's file.

### Overseas Candidates

If a candidate has lived overseas for more than three months at any point in the past five years, an overseas Police Check/Certificate of Good Conduct will be requested from the relevant country.

### Qualifications Check

Where relevant, candidates will be asked to provide original proof of any professional qualifications they hold which are either required for, or relevant to, the position. Copies will be taken and kept on file. If no original is to be found, Oxbridge Guardians will ask the candidate to order replacement certificates, or will request confirmation of the qualification in writing from the organisation or institution concerned. The confirmation will be kept on file.

### Outcomes of the Application and Recruitment Process

Where the following apply, Oxbridge Guardians will report the facts to the Police and/or the Disclosure and Barring Service:

- The candidate is found to be on the Barred List, or the DBS Disclosure shows s/he has been disqualified from working with children by a Court
- The candidate is found to have been prohibited from the teaching profession
- A candidate has provided false information in, or in support of, his or her application
- There are serious concerns about a candidate's suitability to work with children

## Single Central Register of Appointments

In accordance with current good practice, Oxbridge Guardians keeps two Single Central Register of Appointments (one for Staff/volunteers, one for Homestays), indicating whether or not the following checks have been completed on all current members of staff, volunteers and homestays:

- Identity checks
- Qualification checks for any qualifications legally required for the position
- Enhanced Disclosure (or DBS Status Check)
- Barred List check (date of DBS check unless a separate earlier barred list check was undertaken)
- Right to work in the UK
- Overseas checks, where applicable
- Career History/CV Check

A checklist is completed with regard to the recruitment checks outlined in this policy. The completed checklist is stored in each member of staff's personnel file. Included in this file are detailed notes of interviews, as per the recruitment procedures.

## Induction Programme

Oxbridge Guardians will provide all new staff, volunteers and Homestays with a suitable induction programme which will clearly identify the company's policies and procedures, including the Safeguarding and Child Protection Policy. The induction will make clear to staff, volunteers and Homestays the expectations which govern how Oxbridge Guardians asks them to carry out their roles and responsibilities.
