Message from Company Director

Dear Parents, welcome to Oxbridge Guardians!

Oxbridge Guardians was founded in the belief that guardianship is not just a necessary administrative and legal requirement, but a crucial formula for a successful and enriching experience. We are not just guardians; we are **EDUCATIONAL GUARDIANS** and our job is to provide a safe and conducive environment for learning that compliments your child's school arrangements.

I have worked in the UK – China education market for over 13 years and I understand both the pitfalls and opportunities for students taking on the challenge of a foreign education in the UK. It is certainly a challenge which some children adapt to faster than others, but the rewards are considerable. Children become confident, educated and have a broader perspective of the world.

This handbook gives you important information about our organisation, policies, host families, schools and other information and is reviewed and updated annually. Our priority is for you to know that every student is very important to us, and that this ethos is captured in our mission statement **'YOUR SUCCESS OUR PRIDE'**

As Director and founder of the company I am always here to help and assist parents and students in every way possible. If you have any questions please contact us on students@oxbridgeguardians.co.uk, or if you would like to contact me personally, please do so at Helen.wu@oxbridgeguardians.co.uk

Thank you!

Helen Wu, Director

How do we work?

Management

Oxbridge Guardians (“Oxbridge Guardians”), and the Lead Director of the company, **Helen Wu**, act as the educational guardian to all registered students.

Helen Wu, as Director of the company, has ultimate management oversight and is assisted in the management function by **Steph Gilbert**, our Designated Safeguarding Lead. Steph is a qualified child safeguarding professional, and is responsible for ensuring all safe guarding and child protection policies and procedures are appropriate and adhered to by all relevant parties.

Communication

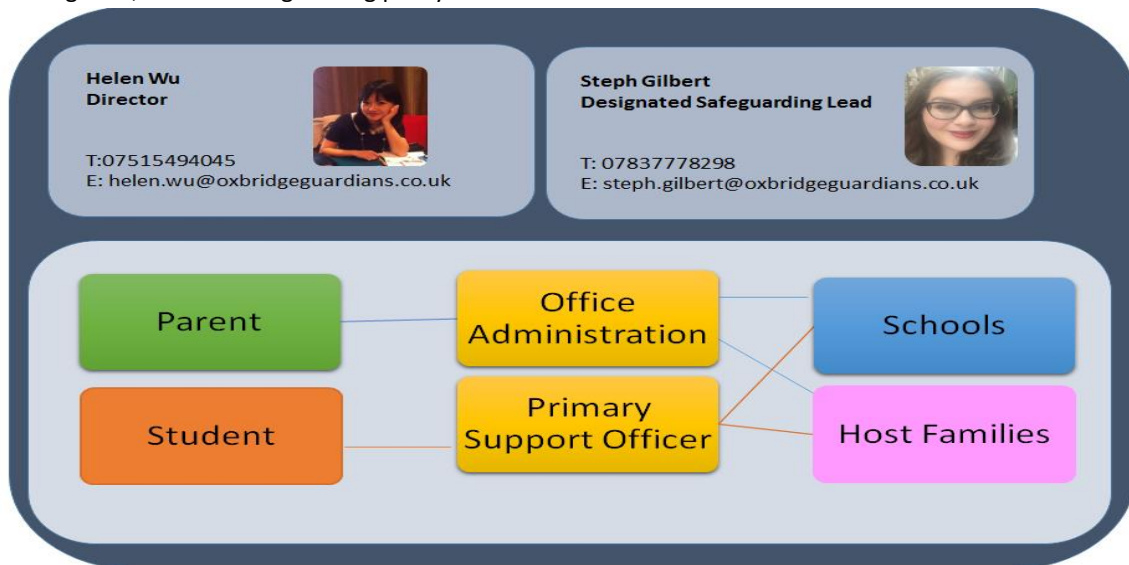

Oxbridge Guardians believes that the clearest way for communication is through a standard route. In this way, should parents have an issues, concerns or questions the first point of contact should be through the student’s Primary Support Officer. Students will be allocated a Primary Support Officer and are advised to seek attention from this contact should they come across any issues. Helen and Steph retain ultimate responsibility for ensuring your child’s pastoral and academic happiness. They are also responsible for ensuring that our Host Families meet the standards required in our Host Family Policy (please refer to page5), and that all students receive the correct care and support, with reference to UK Safeguarding laws, and our Safeguarding policy.

Primary Support Officer (“PSO”)

Our aim at Oxbridge Guardians is to make your child’s experience of the UK a positive one. As your child becomes settled in the UK and makes adaptations to their new surroundings, their pastoral requirements will develop and change. To ensure that we understand the needs of your child fully they will be allocated a bi-lingual PSO (Primary Support Officer) who will have experience working with International Students. Our PSO’s are allocated a small number of students each year to mentor and provide welfare support. The PSO will visit the host family/school in the presence of your child on a regular basis and provide follow up reports to the office to ensure our records are kept fully up to date.

Office Administrators

Our Office Administrators work with our schools throughout the UK overseeing all arrangements and requests in consultation and effective communication with parents, schools, staff members and host families. Our centrally organised and office based Administration team is key to having excellent communications, so that arrangements are made promptly and efficiently and concerns or issues are dealt with quickly. **Direct contact with Oxbridge Guardians for parents should be through the Office Administration function.**

Useful Information for Parents

Information about Mobile Phones

As the students' guardian, Oxbridge Guardians will be responsible for supplying your child with a UK mobile phone number. We will supply a mobile phone sim card, on pay as you go basis. Students must supply their own mobile phone handsets.

Students MUST make sure the Host Family and Oxbridge Guardians are kept up to date with their current mobile phone number (even if this was not supplied by Oxbridge Guardians) and to keep their mobile phones charged and switched on when travelling in the UK. Good communication can save hours of anxiety and time in the event of delay, cancellation or unforeseen circumstances.

Deposit Money:

A deposit of £2,000 is taken in advance. The deposit will be used for out of term time homestay arrangements and emergency expenditure, including helping the Student to book IELTS exam, pay for school trips, extra tuition and short term accommodation etc. The expenses will be recorded, with any expenses exceeding £100 requiring parental confirmation. A statement of expenses is provided to student's parents at the end of each academic year. Parents will also be informed and provided with a statement when the balance falls below £300. A request will be made to provide additional deposit funds. The outstanding balance will be refunded to the parents' designated account once the Guardianship Agreement has ended.

Holiday Plans:

Oxbridge Guardians is happy to arrange the half term plans for each child, but ask that you communicate with the Office Administration team in advance should you wish for your child to have an airport transfer, additional tutoring, or any other activities at half term or other holidays. To change any dates, or make any arrangements please contact Oxbridge Guardians through our WeChat (oxbridge_guardians) or through the student management email address: students@oxbridgeguardians.co.uk.

Authorisation:

For most student activities we are able to gain authorisation before the student arrives to the UK through the Parent Contract. However should a new situation arise for which authorisation needs to be gained we'd appreciate your cooperation with us whilst we arrange this.

Homesickness:

One of the most common factors affecting international students, homesickness and adjustment to the UK culture are something which may affect your child. Whilst Oxbridge Guardians, Schools and Host Families will do their best to assist students through this, please do assist us with supporting your child during this adjustment period.

Airport Transfers:

Oxbridge Guardians will arrange for the student's initial collection from the airport to the school/homestay when they first arrive to the UK, as well as their return journey to the airport at the end of their stay. This is by enhanced DBS taxi drivers from trusted and registered taxi firms. Should any special requests be made (such as driver with students native language) there may be additional costs incurred.

- Additional taxi transfers at half terms or school holidays can be arranged for an additional fee (dependent on the level of guardianship service requested)
- It is the Parents' responsibility to ensure that the Student has the correct booking if travelling as an unaccompanied minor.
- It is the Student's responsibility to ensure that they have the correct travel documents and their passport and where applicable a valid BRP. (Including any permission or consent to travel letters)
- Oxbridge Guardians will communicate all information between parties (student, parent, school, host family) as necessary to arrange the safe and prompt travel for students wishing to arrange their taxi transport through us.

Host Family Policy

Oxbridge Guardians has a network of Host Families with whom we place our students either for the whole academic year as a homestay arrangement or when schools are closed for Half Terms and Exeat weekends. It is our aim to arrange for our students to return to the same host family for all their stays, as this gives students a “home from home” experience. Changes however may occur, especially where requested by the parent, student or the family.

Students are expected to respect their host family's home and way of life in return for being accepted as a family member. Some hosts will apply house rules to help understanding of routines.

Your child's Host Families can range from a couple or single parent with young children to retired grandparents, whose own children have grown up. All have a kind and caring disposition toward children from overseas, offering a “home away from home”.

Host Families are inspected at least once a year, when advice and training on best practice will be given and checks are made on the accommodation. Oxbridge Guardians also undertakes rigorous checks on each family member aged 16 or over, including the DBS (Disclosure and Barring System – includes checks on the police and social services databases).

Hosts formally undertake to protect and care for the students in their charge, but please remember that educational guardianship of the student remains with Oxbridge Guardians during a host family stay. Any concerns about a child's host family should be made through the Oxbridge Guardians office, not directly to the host.

Hosts are encouraged to include students in family life and to offer activities and excursions. If additional costs are incurred receipts are required and, if claimed by the host, this expense will be added to the parent's Student Expenses Deposit (If an activity exceeds the cost of £100 then Oxbridge Guardians will get confirmation).

Please note, the booking of host family stays MUST be made via the office and not direct to the family.

Students are made aware of their commitments to the Host family in the Student Handbook.

What our host families provide for our students

Accommodation

Each student will have his or her own room. The room will have a comfortable bed, clean bedding, somewhere to put belongings, and a table/desk and chair (with lighting) for working (this may be in another room, such as a dining room or study).

There will be good access to a bathroom with a separate shower cubicle or a shower over the bath. Normally households have limited hot water and some hosts may ask for shower times to be kept to a reasonable period and/or to a particular time of the day.

Full Board Basis

- **Breakfast** - teenage students often like to sleep late in the mornings. If so, sometimes students will be asked to help themselves. Cereal and toast is routinely offered, occasionally with bacon and/or eggs. Some families may have a late, cooked breakfast at weekends, combining breakfast and lunch (known as “brunch”).
- **Lunch** (*excluded during half board periods*) is normally a light meal of soup and bread, or sandwiches, jacket potato, cheese on toast, or maybe pasta or noodles, with some salad, fruit or a yoghurt.
- **Dinner** consists of at least two courses, e.g. a main course of chicken, fish or red meat with vegetables and a dessert/fruit. Hosts may be able to cater for Chinese students with rice, noodles and pasta.
- **Snacks** – students should not expect to help themselves and ‘snack’ in between meals. They should ask if hungry, and hosts will provide biscuits, cake or some fruit. A hot drink and a biscuit before going to bed is usually available.

Internet access

A wireless internet connection is normally available, but speeds can be slow in some parts of the UK, particularly in rural areas. Internet downloads are often limited and can be very expensive. Students should NOT download large files, such as films, games and music unless this is acceptable to the Host family.

Oxbridge Guardians will advise Hosts to limit access time in the best interests of the student, particularly overnight, when some students stay up very late at night, get no sleep and disturb the household. Many hosts will therefore restrict or switch off the internet overnight. Schools will have similar restrictions. Students should not need to use the host’s telephone or computers.

All students should be aware of and sign our IT Usage Policy which details guidelines and awareness for safer internet usage. In this way, we hope to protect our students from potential dangers they may face online – host families and schools will also monitor to ensure that this agreement is upheld.

Laundry

Particularly over a half-term, hosts will offer to wash some clothes, and explain when and where students can put their laundry. Laundry should be limited to a reasonable level for the length of stay.

Host Family Checks

All members of the Host Family aged 16 and over are required to have a valid enhanced Disclosure and Barring Certificate (DBS) check. Hosts are required to regularly service gas appliances in the home and provide Oxbridge Guardians with a Gas Safe certificate to demonstrate this. Host Families undertake vigorous training in Safeguarding and Prevent annually.

Host Families are visited at least annually and Oxbridge Guardians undertake a recorded safety assessment of the household to determine if the household remains suitable for our students. Oxbridge Guardians will keep records of these visits and may make recommendations for improvements which will be re-inspected after an appropriate time interval to ensure our recommendations have been complied with.

Life in the UK

Whilst your son or daughter is in the UK, they will be expected to abide by UK Laws and behaviour. These include but are not limited to:

- It is illegal for anyone under the age of 18 to buy alcohol in a pub, off-licence, supermarket, or other outlet.
- It is illegal for anyone to buy alcohol for someone under 18 to consume in a pub or a public place.
- It is illegal to carry a weapon.
- It is illegal to perpetrate a hate crime (crime against someone due to hatred of that persons gender, race, religion, ethnicity, disability or sexual orientation)
- It is illegal for anyone under the age of 18 to purchase any form of tobacco
- It is illegal to possess, buy or sell drugs.
- The legal age of consent in the UK is 16.
- It is illegal to cause physical harm to someone
- It is illegal to take something which you have not purchased or does not belong to you (including travel tickets)

There are also restrictions put into place regarding unaccompanied minors – these are detailed within both our Child Safeguarding Policy section of this handbook, and also in our Safeguarding and Child Protection Policy. To assist us in ensuring your child has the most successful stay in the UK, we ask that you support your child in understanding and promoting the values described by UK Law and within our policies.

When your child arrives they will be registered by the PSO, their host family, or school with the local council, police force (if applicable) and doctor.

All the cities in which our schools and host families are based are generally safe and secure places for international students. It is extremely rare for any student to suffer serious problems. However, as in every city all over the world, it is important to follow some basic guidelines to ensure that students do not put themselves at unnecessary risk. We suggest they follow these simple rules:

- Listen to the teacher, host family or PSO
- Observe the school and host family rules.
- Tell the host family/boarding master if they are going out and when they expect to come back.
Always follow curfew times
- Always try to go out with people they know and trust
- Use well-lit, busy roads and avoid short cuts through dark, quiet areas
- Stay alert — don't use headphones when out walking
- Never take money or gifts from people they don't know
- Don't carry a lot of money or valuables and never leave them unattended
- Don't carry their passport unless absolutely necessary
- Walk with friends wherever possible and don't walk around alone late at night
- Don't be afraid to ask for help if they're worried about anything
- Never tell anyone they don't know or trust any of their personal details.
- Late at night, take a taxi home. Use only licensed taxis displaying official local plates.
- Only share taxis with people they know.
- Always have the number of a friend, host family, the school or PSO to call in an emergency
- Remember, in Britain cars and buses travel on the left

Important Student Policies – travel & curfews

These policies affect students during the times they are staying with an Oxbridge Guardians host family or away from school.

Going out during the day and travelling

- Students **aged 17 or 18** may travel alone, but should return home no later than 11.00pm, or at a time previously agreed with the Host Family.
- Students **aged 14 to 16** may travel alone, as long as plans are deemed safe and acceptable by a host family or Oxbridge Guardians staff. As a guideline, 16 year olds should be home by no later than 10pm. 14 or 15 year olds should be home no later than 9.30pm and/or during daylight, whichever is the earlier.
- Students **under the age of 14** should be accompanied by an adult at all times when away from home.

Staying elsewhere overnight

Students often wish to make alternative arrangements for one or more nights' accommodation.

The following policy has been introduced to clarify what is needed from students and parents when Oxbridge Guardians staff considering a request from a student (or parent) regarding alternative care arrangements. Homestays must refer any request to Oxbridge Guardians staff.

Students **Aged 17 and 18** or over on start date of alternative care arrangement

Parents need to complete and sign a Consent Form, and return this to us by fax or verified email. The full address must be provided to comply with the rules for a UK Tier 4 (Child) VISA.

Students **Aged 16** on start date of alternative care arrangement

As above PLUS we require a named adult, residing in the UK and over 25 years old, who will take responsibility for the student during the stay.

Students **Aged 15 or under** on start date of alternative care arrangement

As above PLUS we require full contact with the named adult and arrangement confirmed in writing. The adult will need to confirm that they will be taking full responsibility for the student during the stay.

Any arrangement to stay away is subject to Oxbridge Guardians being satisfied that a child will be safe. We reserve the right to veto any arrangement if we feel it is unsatisfactory in anyway.

IMPORTANT – It is a compulsory UK law and VISA requirement that suitable living arrangements are in place for overseas students attending boarding schools. Oxbridge Guardians have a duty of care to schools and contract with parents to protect the students and to provide safe host family accommodation.

What do we do in a Medical emergency?

We will try to make immediate contact with parents in the case of a medical emergency. Where consent for a serious medical procedure is required and we cannot contact the parents then as per the medical waiver to which you have consented in our terms and conditions we will act in the best interests of the student as advised by a medical professional.

What emergency accommodation can be provided?

Should there be an emergency situation such as suspension or serious illness, Oxbridge Guardians will endeavour to organise suitable accommodation to meet the needs of the student, swiftly and without causing disruption. For these scenarios we would contact the parent to inform of the emergency accommodation arrangements and the further action to be taken if necessary.

Policies and Procedures that support this policy:

Bullying

Bullying can be defined as behaviour that is:

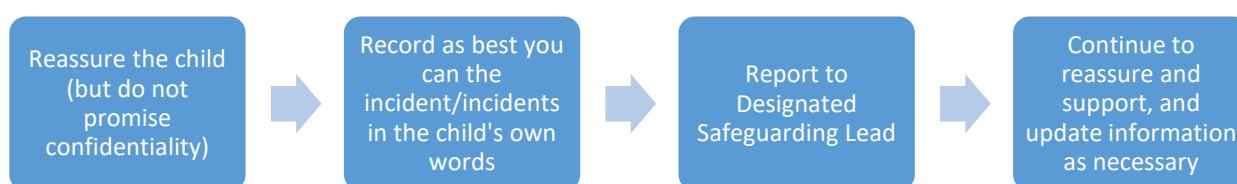

- Repeated
- intended to hurt someone either physically or emotionally
- often aimed at certain groups, for example because of race, religion, gender or sexual orientation

It can be seen in different ways such as:

- physical assault
- teasing
- making threats
- name calling
- cyberbullying - bullying via mobile phone or online (for example email, social networks and instant messenger)

If your student reports that they are being bullied or have witnessed bullying you should follow the below steps:

1. Reassure the student that they're doing the right thing by seeking support. **You should not promise confidentiality as you should report this disclosure to the Designated Safeguarding Lead.**
2. Try and record in the child's own words the report of bullying event/events.
3. Report to Designated Safeguarding Lead who will work with the student, school, parents and host family to resolve the issues and effectively support the child. If the bullying involves a crime it will be reported to the Police accordingly.
4. Continue to reassure and support the student, and advise Designated Safeguarding Lead of any continued issues with regard to the student's behaviour or welfare.

For further advice on how to support a child who is being bullied, witnessed bullying or may be bullying other people we would advise that you undertake some of the free training made available by the website: www.anti-bullyingalliance.org.uk

Please remember that you can always contact Steph Gilbert, Designated Safeguarding Lead on: 07837778298 if you have any issues and want support.

IMPORTANT:

What to do if you have a concern or you are unsure on what to do with respect to your child?

If there is a concern of any kind about your child, host family, our member of staff or any aspect that is related to child safeguarding and protection, then please ring the office, or contact our Designated Safeguarding Lead during office hours (or [07837778298](tel:07837778298) in the event of an emergency) or email Steph.Gilbert@oxbridgeguardians.co.uk.

If you remain concerned, please contact Helen Wu (Director), who will respond to any issue with urgency and in confidence, if required.

Anti-Radicalisation (prevent)

Oxbridge Guardians is fully committed to safeguarding and promoting the welfare of all students. In this way, all staff recognise that prevention of radicalisation and extremism is equally as beneficial as prevention against any other form of abuse. All staff and homestays undertake government provided training in recognition and prevention of radicalisation, and work with the school and local authority to raise concerns and highlight issues where necessary. Further information on the training and initiative can be found within our Prevent policy on our website: <http://oxbridgeguardians.co.uk/policies-and-procedures>

Cancellation Information

UK schools require that international students have a UK Guardian for the entirety of their stay at the school. In this way, the offer of education and continued provision of education at the school are subject to ongoing Guardianship from Oxbridge Guardians, as per the Guardianship Agreement.

- Notification of wish to terminate agreement may be given at any time by parents, but agreement will remain in place for the remainder of the academic year – with no refund of fees paid available.
- In the event that a student is expelled from the school, at the discretion of Oxbridge Guardians, will be released from any obligation to both parents and school, and parents are not entitled to any refund of fees. At our discretion we may assist with finding an alternative school in good faith.
- Under circumstances where Oxbridge Guardians through no fault of their own, and the actions of the Student or Parents, can no longer act responsibly for the Student then Oxbridge Guardians may terminate the Agreement forthwith by providing written notice to the Parents. The Parents shall not be entitled to the refund of any fees, and the Parents shall be required to pay any outstanding costs and fees related to the Agreement.

For further details on cancellation policies and terms and conditions of the Agreement, parents are advised to refer to the Guardianship Agreement as initially signed between Oxbridge Guardians and the Parent.
