Oxbridge Group Ltd: Statement on Private Fostering Arrangements

ASPIRED
EDUCATION

Introduction

Oxbridge Group Ltd mainly places children from boarding schools in homestay arrangements for less than 28 days, in these cases no private fostering arrangement is needed.

However, occasionally there are some children aged under 16 attending international day schools or staying for longer periods during holidays who require homestay for 28 days or more. These children need to be registered with the local authority and a Private Fostering Arrangement (PFA) needs to be set up.

The legislation referred to in this document is:

- Replacement Children's Act 1989 Guidance on Private Fostering (2005) [6091-DfES-ChildrensActFostering \(publishing.service.gov.uk\)](https://www.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/369126/6091-DfES-ChildrensActFostering.pdf)

Definition

- A private fostering arrangement is one that is made privately (with no involvement of the Local Authority) for the care of a child under the age of 16 years old (or 18 years old, if disabled¹).
- The private fostering is usually by someone who is not the child or young person's parent or close relative² with the intention that the fostering arrangement should last for a period of 28 days or more.
- In this regard, the overarching responsibility for the safeguarding, child protection and promoting welfare remains with the parent or another person with parental responsibility.

¹ Having a physical or mental condition that limits movements, senses, or activities. The Local Authority would specify whether a student met the threshold for them to process PFA under this definition.

² A person who is a relative under the Children Act 1989 i.e. a grandparent, brother, sister, uncle or aunt (whether of the full or half blood or by marriage) or step-parent will not be a private foster carer. ([6091-DfES-ChildrensActFostering \(publishing.service.gov.uk\)](https://www.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/369126/6091-DfES-ChildrensActFostering.pdf))

Procedure

Oxbridge Group Ltd carefully selects homestays who meet specific criteria to host these under 16 children. Oxbridge Group Ltd will inform the Local Safeguarding Children Partnership (LSCP) of the arrangements for private fostering, and in turn the LSCP will issue a letter of notification.

Where this arrangement is made ahead of the child's arrival to the UK, this letter will then be used as part of the documentation to apply for the child's visa. The UKVI will need to check correct documentation is in place and consequently, Oxbridge Group Ltd will keep copies of this and other letters for the PFA in the students' care folders.

It may occur that a PFA may be required during the student's stay in the UK (when they are already studying at the School). In this case, Oxbridge Group Ltd will ensure to liaise with all related parties (School, Parents, Host and Local Authority) to ensure clarity of information and to facilitate the progression of the PFA.

Documentation to show that the PFA is in place includes parental consent for the child to live with the homestay family (Appendix 1), homestay agreement to host the child (Appendix 2), passport copy of the host signed and dated by Oxbridge Group Ltd and a guardianship letter (Appendix 3). Oxbridge Group Ltd will also inform the LSCP of all arrangements for private fostering, in line with Reg.3, and will ensure the homestay family is aware of the specific requirements from the LSCP.

Oxbridge Group Ltd will let the homestay family know that an officer from the LSCP's Children's Services' Private Fostering Team will visit the Homestay Family within seven days and provide a written report (initial visit) to the LSCP based on a formal interview with the Homestay Family. Thereafter, a member of the Private Fostering Team will make regular visits at intervals of not more than six weeks apart. The foster carer must provide details of any change in circumstances and cessation of caring for a child to both Oxbridge Group Ltd and the LSCP. If the family have private fostered for this LSCP previously, the initial visit may not be necessary.

LSCPs responsible for safeguarding and protecting children are required to ensure that foster carers are suitable and that they get any support and guidance they may need to help them care for the child. Oxbridge Group Ltd follow strict guidelines of safer recruitment and follow up with Safeguarding support and training.

Each LSCP, despite following national guidelines on Private Fostering Arrangements, will often act slightly differently and Oxbridge Group Ltd will do their best to inform Homestays about the detailed procedures undertaken by the LSCP they will be dealing with.

The timescale for informing the LSCP, and the Day School of a Private Fostering Arrangement is 6 weeks prior to the students arrival in the UK, or where possible 6 weeks in advance of the Private Fostering Arrangement start date. In exceptional circumstances this may not be possible, and so the timeframe would be adjusted accordingly. The School may wish to provide supplementary documents acknowledging the Private Fostering Arrangement to further support the notification document from the LSCP, the Guardian and the Parents.
